

Three Wise Men Selection

| THE YEAR OF THE "OX" |

The Three Wise Men Selection is a bottling series created by gentlemen who follow their passion, belief, and experience in releasing exceptional aged spirits with intentions to share and cater to anyone who appreciates it.

THE YEAR OF THE "OX"

To celebrate the year 2021 with inspiration from the Chinese lunar zodiac, the „OX“. This joint bottling collaborates with a well-known independent bottler, Hunter Laing and Kivnelle Trading PLT as we believed this Mortlach resembles some of the known characteristics of the "OX."

Kivnelle Trading officially established in 2019, is a Malaysia based company specialised in helping people to source and own rare and limited edition spirits worldwide and a solutionist to cask-owning, whisky investment and private bottling.
